State Govt Government deem it sufficient if the Fly Sanitary Commr is instructed to attend only those meetings in which important proposals are proposed to be considered or in which the Chairman considers his presence necessary, subject to a minimum of at least one meeting every 6 months so as not to involve forfeiture of his seat under the City & R S 59 Mysore Improvement Regulation.

But it appears that no one who is not the Sanitary Commissioner to the Govt can be appointed to the vacancy.

The original Regulation was amended by Regulation II of 1909. The amendment consisted in the addition of two ex officio members to the Board of Trustees. Now, the question now raised by the Sanitary Commissioner does not seem to have been contemplated by the Legislature so, Sections 7 & 8 read as they contemplated only the cases of the appointed and elected Trustees
